

Kids' Brains & Screens AND Screen Solutions

A Families Managing Media learning event

TUESDAY
6pm-8pm

April 9, 2019

Families
MANAGING MEDIA

Southlake Christian Academy | 13820 Hagers Ferry Road | Huntersville, NC, 28078

When should my child have a smartphone & social media?

How do I win the *Fortnite* war?

What is the real way to prevent screen addictions in kids and teens?

Real solutions for real families! Learn the current brain science behind screen use, signs and symptoms of overuse, and solutions and steps for reclaiming your kids and reconnecting your family in a digital world.

HOSTED BY SOUTHLAKE CHRISTIAN ACADEMY

SPEAKER

Melanie Hempe, *founder of Families Managing Media* An author, public speaker, and sought-after expert on the subject of reclaiming children and families from screen addictions.
